5. Further Questions

#### **1. Do I need to be a member of Xt3 to join the Harvest Network?**

- You will need to be a member of Xt3 to join the Harvest network. To do this, go to [www.xt3.com](http://www.xt3.com) and click on the button 'Join Now'.

#### **2. How can I, as an individual, join the Harvest Network?**

- Once you are a member of Xt3, login, and go to [www.iactiv8.com](http://www.iactiv8.com) and click on the icon 'Harvest WYD Tours' (or go to the direct link [www.iactiv8.com/wydtours](http://www.iactiv8.com/wydtours)).
- Look for the small green button beneath the subtitle on the page 'Harvest WYD Tours' – the words 'Join Now' will appear when you scroll your mouse over the icon. Click on this button.
- You are now part of the Harvest WYD Tours Network!

#### **3. I am a group leader, I would like to have my group listed on the Harvest Network page – how can I do this?**

##### **a. If you already have a group created on iActiv8**

- Only the administrator/creator of a group can add the group to the Harvest Network
- To do this, visit your group page, and click on the small icon beneath the group name that says 'edit group details'
- You will be taken to the 'edit group' page. Click on the tab 'Location'
- Select 'Australia' as the country, and then 'Harvest WYD Tours' as the Diocese (even if you are from NZ)
- Your group is now part of the Harvest Network.
- NB: There is no difference in creating a group through the Xt3 section of the site and the iActiv8 section of the site – as long as the 'Location' is listed as 'Harvest WYD Tours'.

**b. If you do not have a group created on iActiv8**

- First of all, create your Group by following the link on the top menu bar that states 'Groups', then click on 'Create A New Group' on the top of the page.
- Follow the steps to create a group. When you get to location, select 'Australia' as the country, and then 'Harvest WYD Tours' as the Diocese (even if you are from NZ). You will be able to add as many Dioceses under your 'location' as you need.
- NB: There is no difference in creating a group through the Xt3 section of the site and the iActiv8 section of the site – as long as the 'Location' is listed as 'Harvest WYD Tours'.

**4. I am already part of a group that is listed under 'Groups' within the Harvest network. Does this mean that I am automatically a member of the Harvest Network Page?**

- No. Being part of a pilgrim group that is listed on the Harvest Network Page will allow you to keep in touch with your group members and your group leader. However it will not mean that you are part of the Harvest Network Page, which means that you will not be receiving automatic updates from the Harvest staff.
- Joining the Harvest Network is very easy – see point 2 on this document.

**5. I still have questions**

- If you still have questions on how to use this page, please contact Xt3:  
<http://www.xt3.com/contact/>
- If you have any questions about WYD Tours, Registrations and/or About the WYD Event itself, please post them on the discussion board on the Harvest Network Page.
